Dear Parents/Guardians,

Please know that our school received information yesterday, March 6th, in regards to an alleged, verbal threat against the safety of our students. Upon receipt of this information, the district began an investigation to determine the credibility of the threat and involved the Sheriff Department.

We are confident that the incident has been contained and believe that Cincinnati School is safe for our students, staff and guests. We will continue our efforts to determine and then implement future action to create an even safer school.

We wish to thank our students who followed the adage "if you see or hear something, say something", and to our law enforcement for their involvement and continued support of our school.

As you know, the safety of our students, staff, and guests is truly our most important priority.

We thank you in advance knowing that you are talking with your children assuring them that our school is a safe place and about following the "see something, hear something, say something" adage.

If you have any questions with regard to school safety, please never hesitate to give me a call personally at 607-863-4069.

As always, thank you for your continued support.

Sincerely,
