Dear Parents/Guardians,

As you may know, our school received information yesterday, March 7th, in regards to a second alleged, student's verbal threat against the safety of our students. Upon receipt of this information, the district began an investigation to determine the credibility of the threat and involved the Sheriff Department.

We are confident that the incident has been contained and believe that Cincinnatus School is safe for our students, staff and guests. In our efforts to create an even safer school, **an informational parent meeting has been scheduled for Thursday, March 15, 2018 at 6:30 p.m. in the Wilbur Auditorium.** The purpose of the meeting will be to share our current safety plan precautions, consideration being given to future actions, and to listen to concerns, suggestions and/or ideas that you may wish to share.

As you know, the safety of our students, staff, and guests is truly our most important priority.

If you have any questions with regard to school safety, please never hesitate to give me a call personally at 607-863-4069.

As always, thank you for your continued support.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steven V. Hubbard'.
