

Alumni Reunion 2006

What a wonderful weekend we had for our Alumni Reunion this past summer. The first Saturday in August remains the best weekend for the majority of alumni to return for the day as was evident by the large turnout this year.

The theme this year, as you all know was our "70 Year Celebration" of Graduating Students from CCS School Building. We had a wonderful time. During the festivities this year we honored 50 year grads – Class of 1956! Also recognized was 75 year graduate, Jane Glenzen Lee Knapp, with a poem written by her daughter, Sandy Longaker, and a corsage presented by the Alumni.

You will see pictures that show the flag ceremony which took place during the program this year. We had a graduate from every class 1936 through 2006 carrying their class year. What a glorious site to see and a celebration to be a part of. And what a better time than now to say a big **THANK YOU** to everyone who helped make it possible. We especially thank Gretchen Shufelt who made all of the flags as well as the class graduates who carried flags.

We also had a record number for the delicious dinner prepared by Mr. Bilodeau and his staff this year, to the extent that there will be four serving lines next year to accommodate everyone better.

So you missed the festivities? Well thank goodness there is always next year. Come on now – get your calendars out and mark Saturday, August 4, 2007 – Alumni Reunion 2007. There will be a lot more information coming, but plan ahead now! You have something to offer for next year? Sure thing, just contact one of the Alumni Committee members and share your thoughts.

-Terena Loomis, Chairperson
