

# 2011 Alumni Weekend Highlights

What a Wonderful Alumni Weekend this year! The Alumni program opened to a full Wilbur Auditorium. Add a great program of "Humor and Harmony" which also included "God and Country" and it was guaranteed to be a success. There were times when there was not a dry eye in the audience, be it due to laughter or touching music. This is what Alumni Weekend is been all along and what we strive to have it continue to be. CCS ALUMNI

The gym was filled with alumni for the dinner, what a great turnout!

a way to remain connected to the Cincinnati Central School District. We will never agree on everything, nor should we. But Alumni recognize that "kids come first" and a super education with people who care can never be duplicated anywhere better than Cincy.

The program was followed with a tasty Roast Beef dinner served in the large gymnasium and no empty seats to be found. This is also as it should be. A time when age and youth, (yes 1935 to 2001 is age and youth) can come together to share experiences and question differences. This leads to nothing but a better understanding of change. Neat stories told by many again brought laughter and respect for each other.

The class of 1961 was honored at the head table and seated a record number. Guests of the class were Mrs. Lois DeMond and Mr. Ben Lindeman. Mrs. DeMond, age 94 was told by a class member that she had a better memory than two of us put together. Truth is she does. Mr. Lindeman continues to remain close with so many of his past students and also continues to work part time with State Ed.

Mrs. DeMond, 94 years old, with her daughter Dianne, a member of the class of '61.

The theme of next year's alumni will be "Our Home Towns." Our school district is made up of many great towns and we want to recognize them all. If you are interested in being involved next year, please feel free to call Terena Loomis (863-4365), Marge Talutis (863-4261), Gretchen Shufelt (863-3461), or Dannette Tomlinson (863-3544) with any questions. Remember, the 50 year class next year is the class of 1962.

Till next time,

Terena Loomis, Chairperson

Mrs. Harvey was the MC for the Alumni Program.

The Class of 1961 met at the Knickerbocker Country Club for their 50th Class Reunion.
