

CCSD Arrival Procedures
2020 - 2021

Any Student Not Riding Bus

In an attempt to limit the number of cars entering our parking area, please use the Cincinnatus Fire House to drop off students that can independently walk the 0.2 miles to the front of school.

Students in grades UPK - 2 that arrive by car or walk to school with an adult, may enter through the Visitor's Center. Only students will be able to enter as parents will not be allowed to enter the building. If you plan to walk your children to the door, please be aware that you will have to park your car in an approved space as cars will not be able to block the fire lane along the curb.

Walkers and students who are dropped off will enter through the large doors at the front of the small gym beginning at 7:50 AM. Please note the following:

- All students will need to wear a mask prior to entering the gym.
 - Students that have their daily screening form can enter the door on the left side of Entrance 26.
 - Students who need to have their temperature taken will walk through the right side of Entrance 26.
 - After entering the small gym, students will be able to take their breakfast off the table and walk to their first period class

Any Student Riding Bus

Buses will arrive and unload in a staggered format to limit number of students moving through the hallway

First two buses will be unloading at 7:50 AM

- Grade UPK - 6 students will enter Entrance # 16
- Grade 7 - 12 students will enter Entrance # 17

Students who have their daily screening form will get their breakfast and proceed to their first period class.

Students requiring temperature checks will be checked by staff and then get their breakfast and move to their first period class.

Students that leave the Cincinnatus Campus for BOCES programs will be able to get breakfast and sit in the cafeteria until it is time to load.

Students will wait to eat until they are seated in their first period class.
