CORTLAND COUNTY TEST KIT DISTRIBUTION SATURDAY 1/15/2022

Cortland County, NY – Cortland County has received an allotment of COVID-19 test kits from New York State for disbursement to the public. On Saturday, January 15, 2022, Cortland County officials will distribute test kits from the Cortland County Jr. Sr. High School, 8 Valley View Drive, Cortland, New York 13045. The distribution will begin at 4:00 P.M. and continue until the test kits are gone.

Due to the limited number of test kits received, there will be a limit of one box of test kits per vehicle (two test kits are in each box) for Cortland County residents only. Please bring photo ID for proof of residency.

This is a drive-thru event. Please follow the traffic signs, stay in your vehicle and follow the loop around the entire parking lot. To minimize any traffic jams, there will be one way in and out of the parking lot for this event.

Remember to respect your fellow Cortland County residents and do your part to stop the spread of COVID. The Cortland County Health Department, in collaboration with New York State is hosting vaccination clinics this week at the Port Watson Mini Conference Center, 131 Port Watson Street, Cortland NY on January 13th, January 14th and January 15th. Registration for the upcoming clinics can be found at https://www.cortland-co.org/1009/COVID-19-Vaccine-Information.
