March 22, 2021

Dear Cincinnatus Central School District Community,

We are excited to inform you of some positive news pertaining to our athletic program. Due to numbers declining in our region(s), our counties and connecting counties and the Central Counties League (CCL) are moving to our next phase of allowing spectators.

Rules and regulations for this phase include:

- Each athlete will be allowed 2 spectators per New York State guidelines
- Spectators are allowed to attend Home and Away games, (subject to change)
- Spectators will be given a pass with the athletes' name on it and will have to keep with them throughout the game
- Face Coverings must be worn at all times
  - Face coverings must cover the mouth and the nose
- A distance of at least 6 feet must be maintained between spectators for events
- Spectators are asked to bring their own seats, there will be no bleachers (Cincy Site, away sites may be different)
- Spectators should not congregate and must exit promptly following the conclusion of each contest

This phase goes into effect starting immediately. It is expected that spectators adhere to the previous listed rules/regulations to ensure the safety of all involved. Games days and times can be found on our website on the athletics page, under the Schedule Galaxy. We can’t wait to see and hear spectators cheering on our student-athletes again!

We will also have the Varsity Soccer Games livestreamed… so please let others know that it is on Facebook live. A link to the site can be found on the homepage at cc.cnyric.org.

Let’s go Cincy

Teresa Merihew
Athletic Director
