February 11, 2021

Good afternoon Cincy,

Tomorrow we will have our first sports action in almost an entire year. Our Girls Volleyball Team will be hosting DeRuyter and you can follow that action on Facebook Live at 7:00 PM. Visit http://www.cc.cnyric.org/ and click the icon ‘Join us on facebook live’.

Our Boys Basketball Team will be visiting DeRuyter for a 7:00 PM tipoff and you can access that live action at http://www.deruytercentral.org/ and click the link on their homepage.

The Girls Varsity Basketball Team will be opening their season on Saturday, February 13, at 10:00 AM. You can view that game live at http://www.cc.cnyric.org/ and click the icon ‘Join us on facebook live’.

We are happy to have our athletes back on the court even though we are not allowing fans at this time. We are hopeful that when we have both boys and girls soccer in March and April that we are able to host fans in person. We will keep you updated as we receive guidance from the State Athletic Association and our local Health Department.

On another note, we are also running clubs after school and have a late bus each Thursday. We are investigating our end of year concerts and how to hold them safely for the students as well as the spectators.

We are able to start the planning for these events for many reasons. We know that it is important to our students to have a connection to school outside of the classroom. We know that it is important to stay connected to our community through athletics and the arts. Finally, we know that our community will follow our protocols so that we can conduct our events in the safest way possible with the guidance we have to follow.

As you know, there is no school for students and many of our school staff next week. You will find me at work next week but you will also find me on the best snowmobile trails in New York State, which of course is Trailhounds!

Enjoy the beautiful Winter weather that Central New York has to offer and be well.
