October 28, 2020

Dear Parents, Guardians, Students, and Staff,

On Tuesday November 3, 2020, Cincinnatus Central School will be doing a practice remote learning day for students in grades 7 – 12 only. Students in grades 7 – 12 only will stay home on November 3, 2020 and access their classes remotely through livestream platforms such as Zoom or Google Meets, or however each teacher has arranged their class for the day.

November 3, 2020 is a half-day for students, so they will need to follow their schedules for periods 1 – 4. Their academic day will end at 11:23am, and the teachers will continue their day with staff development and curriculum work.

Students in grades UPK – 6 will be in-person in the school building on November 3 and will be following their normal morning schedules for periods 1 – 4 as appropriate. They will be served breakfast and lunch, as usual, and the teachers have the lunch schedule already. Students will be dismissed for the day at 11:23am.

We are doing the practice remote day for grades 7 – 12 to help us prepare in the event that the school has to move to remote learning for a period of time due to COVID numbers. We do hope to be able to continue in-person learning for all for the foreseeable future, however, we need to be prepared just in case.

We appreciate all that you are doing to help us maintain the social distancing guidelines such as mask-wearing and the staggered arrival and dismissal times. The students are doing a good job, generally speaking, and seem to enjoy being back in the building after the long shut down last school year.

If you have any questions, please contact the school.

Thank you and have a great day.
