May 14, 2021

We have arranged with Kinney Drugs representatives to provide an optional vaccination clinic for students in Cincinnatus, age twelve (12) or older. We will also open the clinic to caregivers and staff at this time. The clinic site will be located at Cincinnatus School on Wednesday, May 19 and then again on Wednesday, June 9, for the second dose of the Pfizer vaccine.

In order to take advantage of this opportunity, each guardian must register for the vaccination no later than Monday, May 17, by 2:00 PM. Also, each guardian must complete the ‘Parental Consent’ and have their child print and sign that form. It will be possible to print that form from school if necessary. Any person in your home that chooses to get the vaccine must also submit their information on the link below. Insurance carriers have agreed to pay the administrative costs associated with this clinic for those families that have insurance. For those families that don’t have insurance, there will be no cost for the student at this clinic.

If you are interested in registering your student or an eligible family member for the vaccine, please complete ALL steps below no later than 2:00 PM on Monday May 17.

1) Complete all of the requested registration information by visiting this link. Be sure to select the location for the school your child attends. 
   https://kinneydrugs.as.me/CortlandCountyCincinnatus

2) Each student MUST bring a printed, completed consent form signed by a parent/guardian in order to be vaccinated. The consent form can be found at: www.cc.cnyric.org or a student may pick up a paper copy in the District Office.

3) Each person should bring a copy of their driver's license or a copy of their birth certificate to the site as well. A picture on a phone will suffice.

Please mark your calendar for Wednesday, June 9, at Cincinnatus for your second dose of the Pfizer vaccine.

We thank Kinney Drugs for offering this clinic to our students and community!

If you have any questions or concerns, please do not hesitate to contact me or Mrs. Potter in the Health Office.

Sincerely,

Todd M. Freeman
