Sunday, July 16, 2017
Knickerbocker Country Club
Cincinnatus, NY

JOIN US!

The Community Foundation to Support Education was formed to promote excellence in the Cincinnatus school community by providing additional opportunities such as programs, trips, and enrichment activities for our students. In order to do this, we need to raise funds.

The CFSE is sponsoring its seventh local golf tournament to raise money to give our students the extras, which always enhance education. Many of these extras had to be removed from our school budget due to the economy we are facing today.

Our Foundation is totally separate from a school budget. The money we raise will be used for specific projects or activities. We hope to make this tournament an annual affair to help raise the funds necessary to support these aims.

Please consider playing as part of a foursome. You can also support this activity by sponsoring a hole (\$50.00), sponsoring a foursome, donating a prize, or making a monetary contribution.

We are happy to announce we already have awarded several grants thanks to our fundraising activities!
