January 3, 2022

Dear Families,

We have received our allotment of tests per Governor Hochul's announcement from last week available for Cincinnati students. There will be an opportunity to pick up a test kit for your children at the Visitor Center each afternoon, from 3:30 PM to 5:00 PM, beginning on Monday, January 3, 2022. We will follow this schedule Monday through Friday as long as we can maintain our supply.

There is no obligation to test your child and this is a voluntary opportunity. School staff will not be tracking or reporting results and all positive results should be reported to the health department in the county in which you reside.

Please contact me if you have any questions.

Sincerely,

Todd M. Freeman
