HEALTH OFFICE

Your child may visit our school nurse throughout the school day for a variety of health services including: illness, injury, medication administration, personal needs, screenings, working papers, etc. Please note the following policies:

Fever: If your child has a fever please keep him/her at home. Children with temperatures of 100.0 or higher will be sent home. We ask that your child be 24 hours fever-free before returning to school.

Vomiting: Students who have had an episode of vomiting will be sent home from school. We ask that your child remain home if they have vomited within the last 24 hours.

Medication: Authorization with the health office is required for all medication needs. Medication must be delivered to the health office by an adult with an authorization form signed by the parent and a provider. A doctor's order is required for all medication including over the counter drugs. Until proper authorization is submitted, the medication cannot be administered. Medication must be delivered in its original container with a pharmacy label. If you need a bottle at home, request a second labeled bottle from your pharmacy for school. Medication cannot be administered until an appropriate container is received.

Physicals/Immunizations: As part of your child's requirements for school, a physical examination is required for new students, those students entering Pre-Kindergarten/ Kindergarten and students in Grades 1, 3, 5, 7, 9 and 11. Documentation of the physical examination must be submitted to the health office within the first 30 days of the upcoming school year. If your child receives any immunizations, please provide a copy along with the physical. Proof of immunizations are due within the first 14 days of school enrollment. Failure to do so, may result in exclusion until documentation is received. Immunization requirements may be viewed by clicking on the link listed on the Online Resources page.

TECHNOLOGY ACCEPTABLE USE POLICIES

FACILITIES USE REQUEST

The Board of Cincinnati Central School encourages the greatest possible use of school buildings for internal organizations and community-wide activities. This is meant to include use by recognized civic, social and fraternal and religious organizations in accordance with law.

Outside groups wishing to use the school facilities must complete a Facilities Use Form at least two weeks prior to the event. Groups will secure permission from the Superintendent and abide by the rules and regulations established for such use including restrictions on alcohol, tobacco and drug use. The Superintendent, at his/her discretion, may consult with the Board of Education. Monthly reports may be made to the Board regarding community use of the school facilities.

A copy of the district's Facilities Use Request can be found on our website.

In the event that it becomes necessary to close school during the instructional day, the radio/TV stations will be notified, and students will be sent home or to the home of the person designated by you on the student data forms, which you submit in early September. Please notify the Attendance Aide and your child's teacher immediately if your address, telephone number, place of work, or childcare provider changes during the school year. If school is delayed (one hour or two hours) no breakfast will be served.

VISITORS

Parents and other community members are always welcome and encouraged to visit the school periodically during the course of the school year. Cincinnatus Central School provides many opportunities for parents and families to visit the classrooms and school through various extracurricular activities and events. Whenever possible visitors seeking to go to the classrooms are asked to arrange with the teacher so as not to disrupt the learning process.

Student visitors from other schools, unless they have a specific reason and prior approval of the Building Principal, are not permitted to visit. For example, a student from another school who is on vacation and staying with a Cincinnatus student would not be allowed to visit for the purpose of going to classes/lunch during the day with the Cincinnatus student.

In the interest of security, all visitors to the schools of the District must follow the procedure described below:

Visitors will enter the building at the Visitor Center. They will be asked to specifically identify their destination and they will need to show their drivers license as the District utilizes the Raptor System. A temporary badge with their picture will be printed for them to wear while on school grounds. Visitors will then report to the appropriate office. If needed, a staff member may escort visitors to their destination.

All visitors will sign out of the building at the Visitor's Center upon leaving.

PESTICIDE NOTIFICATION

New York State Education Law Section 409-H, effective July 1, 2001, requires all public and nonpublic elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year.

The Cincinnatus Central School District is required to maintain a list of persons in parental relation, faculty, and staff who wish to receive 48-hour prior written notification of certain pesticide applications.

In the event of an emergency application necessary to protect against an imminent threat to human health, a good faith effort will be made to supply written notification to those on the 48-hour prior notification list.

If you would like to receive 48-hour prior notification of pesticide applications that are scheduled to occur, or for further information on these requirements, please contact Mike Stafford at (607) 863-3200, ext. 76.

AHERA NOTIFICATION

In compliance with the United States Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), Cincinnatus Central School District has had a thorough triennial inspection done in 2019. All new construction is asbestos-free. Information regarding asbestos in the school district can be provided by Michael Stafford, LEA designee and Director of Facilities, at (607) 863-3200, ext. 76.

STUDENT/PARENT HANDBOOK

Student/Parent Handbook and Code of Conduct is a guideline of rules and expectations that Cincinnatus Central Schools has for all students, staff, parents, and community members to follow. The intent is to focus on the development of the whole child through an educational process, not simply a discipline and punitive process. This document may be modified or revised at any time during the school year for specific reasons and/or needs after a Code of Conduct Review Committee meeting and Board of Education approval of modifications or changes.

The Building Principals have full discretion in all instances pertaining to the type and quantity of disciplinary consequences issued to students.

To view the full Student/Parent Handbook, please visit our website.
